About This Game

In the distant future tecnologies and organisms become compatible with each other.
Humanity is under the revolution - digital immortality. World leaders are developing
the program of tranformation into the cyborgs for everyone. The tranformation is
going inside the device named "Pandora". But the plans of world leaders is not to
upgrade the quality of life of every human. They want to create a dictatorship and

control everyhing in the world with their cyborgs. But not all people are ready to become puppets and then they united into resistance group. The war with cybernetic creatures will be the last hope to humanity.

Game features:

- 4 acts with much missions and different locations;

- 10 kins of enemies with different characteristics;

- Epic bossfights;

- Level-Up system;

- Ultimate large arsenal and secondary weapons;

- Very fast and dynamic gameplay;

- Tons of cannon iron;

- Great exclusive rock soundtrack
